Subject: PP for Chemours Fayetteville & Washington Works facilities
Attachments: 2018-08-22 Chemours PowerPoint.pptx

Hey Jenny. Not sure if this is helpful or not, but here is a PP describing histories and operations at both Chemours Fayetteville and Washington Works facilities. I also want to ask you if you could provide Sarah Lanier and Theresa Cantu the most recent sampling information for the Washington Works facility. I believe all the latest monitoring has been in Ohio, so it would more appropriate for you to provide the information. Thanks. Hope all's well.

Roger
